SUBJECT: Request for Support in Job Discrimination Case

I wish to timely and properly file a discrimination complaint, based on race (African-American) in which I was slandered then Wrongfully Termination by my employer, Unispec Enterprises (corporate address: 80 M Street SE, St 715, Washington, DC 20003). I learned of how I was victimized by discrimination in September 2016. Specifically, I am an African American woman, working at a job site in Oklahoma City, who was unfairly removed from my job in order to allow a white female to replace me. I ask for your assistance in resolving this matter.

I believe that my case can be resolved via mediation where I could show my evidence and discuss settlement options in a neutral setting. I am asking that your office establish a forum for that mediation session. I hereby volunteer to participate. Could your office please solicit for mediation interest with my former employer? If not, I request your help in obtaining local, legal assistance to file in court, especially since my resources are very limited.

Based on my research of the OHRC mission/process, I am hopeful that your office can facilitate a resolution to this injustice.

Please help me.

I thank you for your time.

Sincerely,

Felicia D. Hill
